DISMISSAL POLICY

All cadets are to be dropped off and picked up immediately upon dismissal by a parent/guardian or parental designee in lobby. The cadet will not be released until a parent/guardian or parental designee meets with an Officer. Cadet safety is the sole responsibility of his/her parent/guardian or parental designee immediately upon dismissal.

No cadet will be dismissed early without permission from the parent/guardian or parental designee and an officer of NLCC Enterprise. Written requests for a cadet's early dismissal may be made to the Executive Officer, LT (NL) Russ Arnold.

In the event of illness the parent/guardian or parental designee will be called to pick up the cadet. The cadet will be given permission for an early dismissal by his/her training officer. The cadet will not be released until a parent/guardian or parental designee meets with the officer. An entry will be made in the ship's log indicating the early dismissal.

The cadet is responsible for missed work and is required to approach his/her instructor(s) concerning content covered during his/her absence. The cooperation and encouragement of the parents is necessary for the satisfactory completion of the work which is mandatory if the cadet is to advance in rank. Cadets will be given a reasonable amount of time to study content that has been missed.

Exception: A cadet may be released to a person with lawful authority to take custody of the cadet, e.g., a police officer with a warrant. In such case, the cadet's parent/guardian or parental designee shall be notified at the earliest opportunity.

In the case of family difficulties (lawsuit, divorce, etc.), NLCC 29 Enterprise is to be informed in writing regarding the custody and legal guardianship of the cadet. A copy of any custodial court order should be sent to the corps to be kept on file.

I have read and agree to the Dismissal Policy of NLCC 29 Enterprise. I understand that any breach of the policy is subject to disciplinary action, suspension, or termination of participation in cadet activities.

If you have any questions please contact the Commanding Officer LT (NL) Margo Arnold at (416) 229-4118
