Commanding Officer Comments:

Welcome back all Cadets Officers and Civilian Instructors and also parents that assist through out the year. We had a great Christmas party thanks to Midshipman (NL) Arnold and her presidency in organizing help from your Parents, and obtaining excellent results.

We have a great group of Officers and parent helpers along with you all a great group of Cadets all on board, thus resulting in an excellent position for up coming squadron competition on March 4th. We have a fantastic program set in motion for 2006 and we are all looking forward to putting our plans in action, we trust you all feel the same and are committed and will be attending extra practice scheduled events and competition!

Please remember to bring in the monies collected for the calendars and don't forget to pick up your Navy wrist bands for sale \$5.00 each. As you know with the sale of calendars and wrist bands, we are preparing to order uniforms and off set camp costing therefore do your best to sell your share!

Reminder to all Cadets and Officers

when you are unable to attend scheduled events you must call C.I. (NL) Mulholland 416-225-9548

Cadets are encouraged to become active, responsible members of their communities. They learn valuable life and work skills like teamwork, leadership, and citizenship. Cadets also reap the personal benefits of increased self-confidence and physical fitness, learning how to take initiative, and how to make decisions. Cadets make valuable contributions to Canadian society on a daily basis in terms of environmental, citizenship and community activities. Our program is designed to educate and train Canadian youth in respect, self-discipline, and citizenship within a naval structure. The objectives include the physical, mental and moral training of children ages 9 through 13. Our governing body is The Navy League of Canada. This is a registered charitable organization and has been in existence for over 100 years.

NLCC Enterprise parades every Wednesday Night starting with the first week of school in September and goes until the last week of school in June. On Wednesday nights we start at 6:30pm and go until 9:30pm. We also have optional training days throughout the year.

The Navy League Cadet program offers Canada's youth a wide selection of opportunities, and provides them with the proper naval training.
