Remembrance Day

## Commanding Officer Comments:

Tag Days last month turned out to be successfully completed with good results, great news is that we are in a position to order a few new uniforms. Please take a minute and thank your parents for helping, without their support we would not be able to Tag. Testing is planned for this month and testing is a requirement for promotions, so make sure you are in attendance. All Officers are eager to assist in making Enterprise #1 a benchmark such as testing, sets the staging for practice.

Another very essential part to our success is Parents assistance. October 26 we sent home a few key informative forms to be filled out by your parents. Please make sure your parents receive these letters and ask them to complete and return ASAP, thank you in advance and lets keep up the great work.

Once again KUDO's to all Parents and Cadets that attended Tag Days!!!!

# Special invitation: Extended

We would like to continue with an extended welcome to all Enterprise parents for a traditional ceremony which is called Sunset. When you pick-up your Cadet on Wednesday evenings and wish to attend you must be present and available no later than 9:10PM in the lobby of the base. Your vehicle must be parked in a parking space to avoid towing charges and potential inconvenience to base facilitators and other parents. We will attempt to maintain this weekly. Please support our efforts by complying with DND rules and regulations at all times. Ship closing time is scheduled for 9:30PM.
